

Customer Authorisation

This form authorises Save A Watt Ltd. to negotiate Energy Supply Agreements on our behalf with all energy retailers in New Zealand. As such, we appoint Saveawatt as our exclusive energy consultant / broker for the purposes of managing Energy Requests for Proposal (RFP).

Saveawatt and its agents are hereby authorised to request the applicable data from our existing energy retailer(s) including but not limited to the existing contract expiry date(s), detailed TOU usage data (kWh), NHH usage data (kWh), demand data (kVA and KW), reactive load data (kVAr and PF), customer transaction summaries, ICP numbers, invoices, meter details, existing prices/detailed breakdown, local network charges and any other aspects of our energy account.

Where Saveawatt is engaged to provide bill management services, this may include the provision of invoices on an ongoing basis. This Authorisation does not expire until terminated by Saveawatt or the Company in writing.

It is acknowledged that all information presented both by and to Saveawatt is to be kept in strict confidence by both parties. It is also acknowledged that this Authorisation Form is intended to comply with the requirements of the Privacy Act 2020.

Authorised Signatory
